

SRM CAST

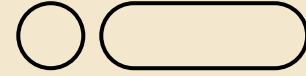

Exploring Opportunities Beyond
the Classroom

PODCAST

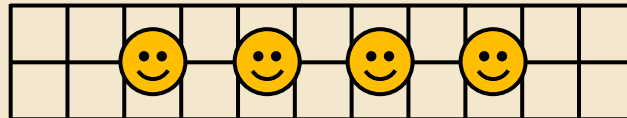

Introduction

SRM CAST

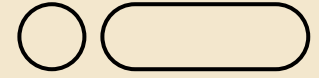

We, the students of SRM, have deep roots in every field. We explore, innovate, and succeed. Students at SRM are engaged in diverse activities and have much more to share. Therefore, we are introducing a special podcast series to enlighten other students about the possibilities that await them in their surroundings.

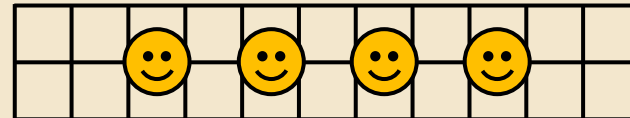

TALK 01

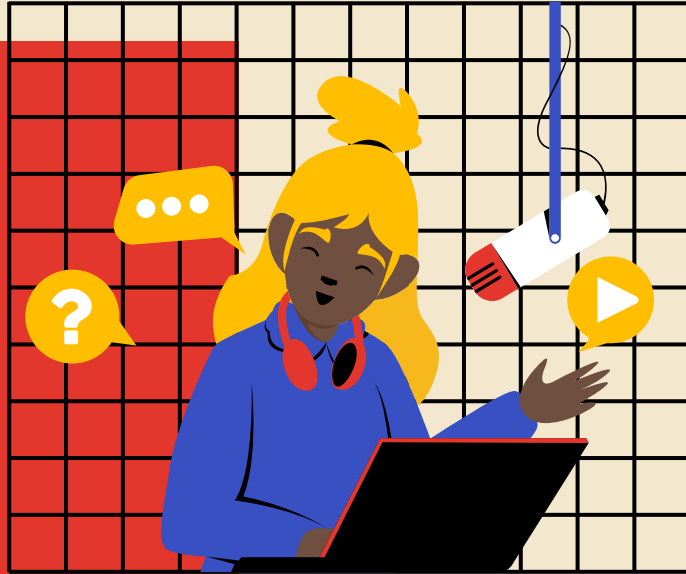

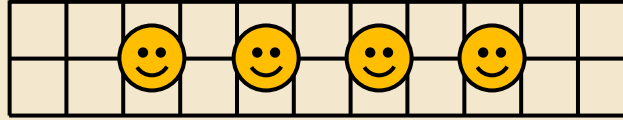

Objective

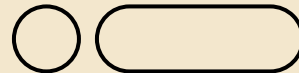

- Create a compelling podcast series involving HODs, teachers, and students.
- Provide real-world insights to bridge the gap between classroom learning and practical application.
- Empower students to make informed decisions about their academic and career trajectories.

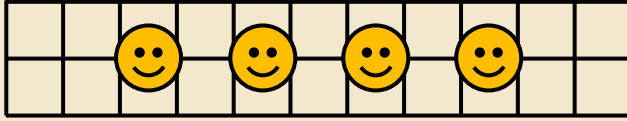

Benefits to **Students**

- Industry trend insights.
- Practical career guidance.
- Holistic education understanding.
- Networking opportunities.
- Inspiration and motivation.
- Personal and professional growth.
- Empowered academic and career control.

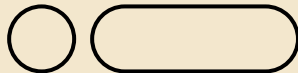

TALK 02

Benefits to College

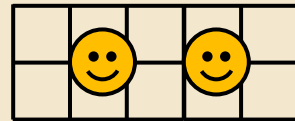

- Enhanced Reputation
- Increased Engagement
- Attractiveness to Prospective Students
- Positive Campus Culture
- Professional Development
- Social Media Presence
- Enhanced Learning Experiential knowledge

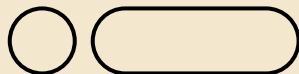

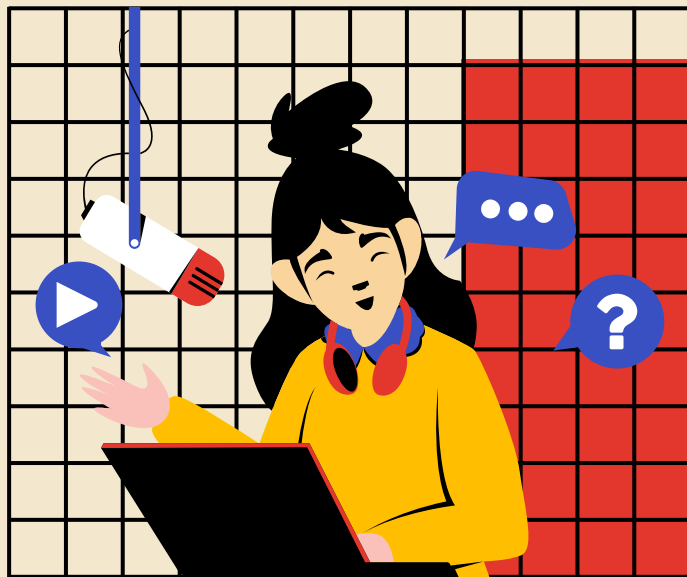

TALK 03

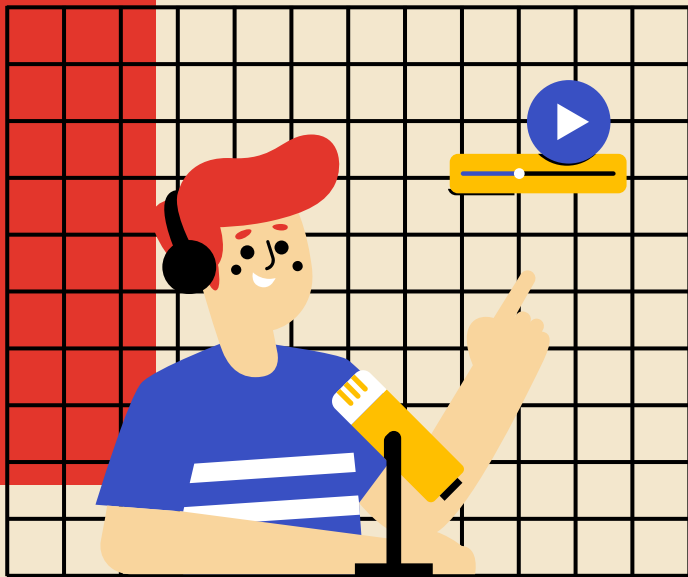

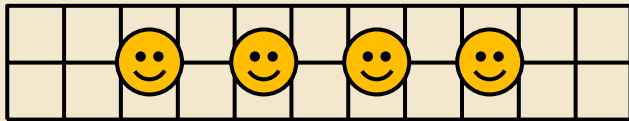

Conclusion

Our podcast series is the gateway to SRM's diverse student experiences. By connecting with HODs, teachers, and fellow students, we aim to inspire, inform, and empower. As we delve into industry trends, offer practical guidance, and explore holistic education, we're not just enhancing individual journeys but elevating SRM's reputation, fostering engagement, and shaping a positive campus culture.

Thanks
